

Welcome to the Albany Club

We are very pleased to welcome you to the Albany Club during the construction phase of your facilities. We hope you will see the Albany Club as your temporary home during this period.

We will provide you with full access to the Club and its facilities and we have made arrangements to have some of your own regular staff as part of our service family. By doing this we hope you will find our Club as comfortable as yours and that you will make

a habit of coming regularly.

We would like you to consider planning your social and family events at the Albany Club. We pride ourselves in our service and food

and beverage offering. You will find our menu prices very comparable to that of the RCMI both for members dining and catering events.

I am certain that our house rules and policies are similar and we will make sure to communicate them to you prior to your coming.

Please make yourself at home and use the Club as if it were your own during your stay with us. We hope to make this transitional period in your lives one which you will remember and that you will feel comfortable participating in our social network. Although every Club is unique we feel that the interaction will enrich both our lives and we hope to build on this relationship.

We intend to have a welcome luncheon in the fall season where you will be able to meet Club members, directors and staff. We look forward to meeting you.

—Christian Diotte, General Manager
